AN INTRODUCTION TO THE PANEL WITH A CASE STUDY FROM CHILE

Raul Roman

Center for Internet Studies
University of Washington

APEC Telecenter Training Camp
Taipei, January 27th 2005

Beyond rhetoric: A strategic approach to participation

Need to translate the idea of participation into concrete action

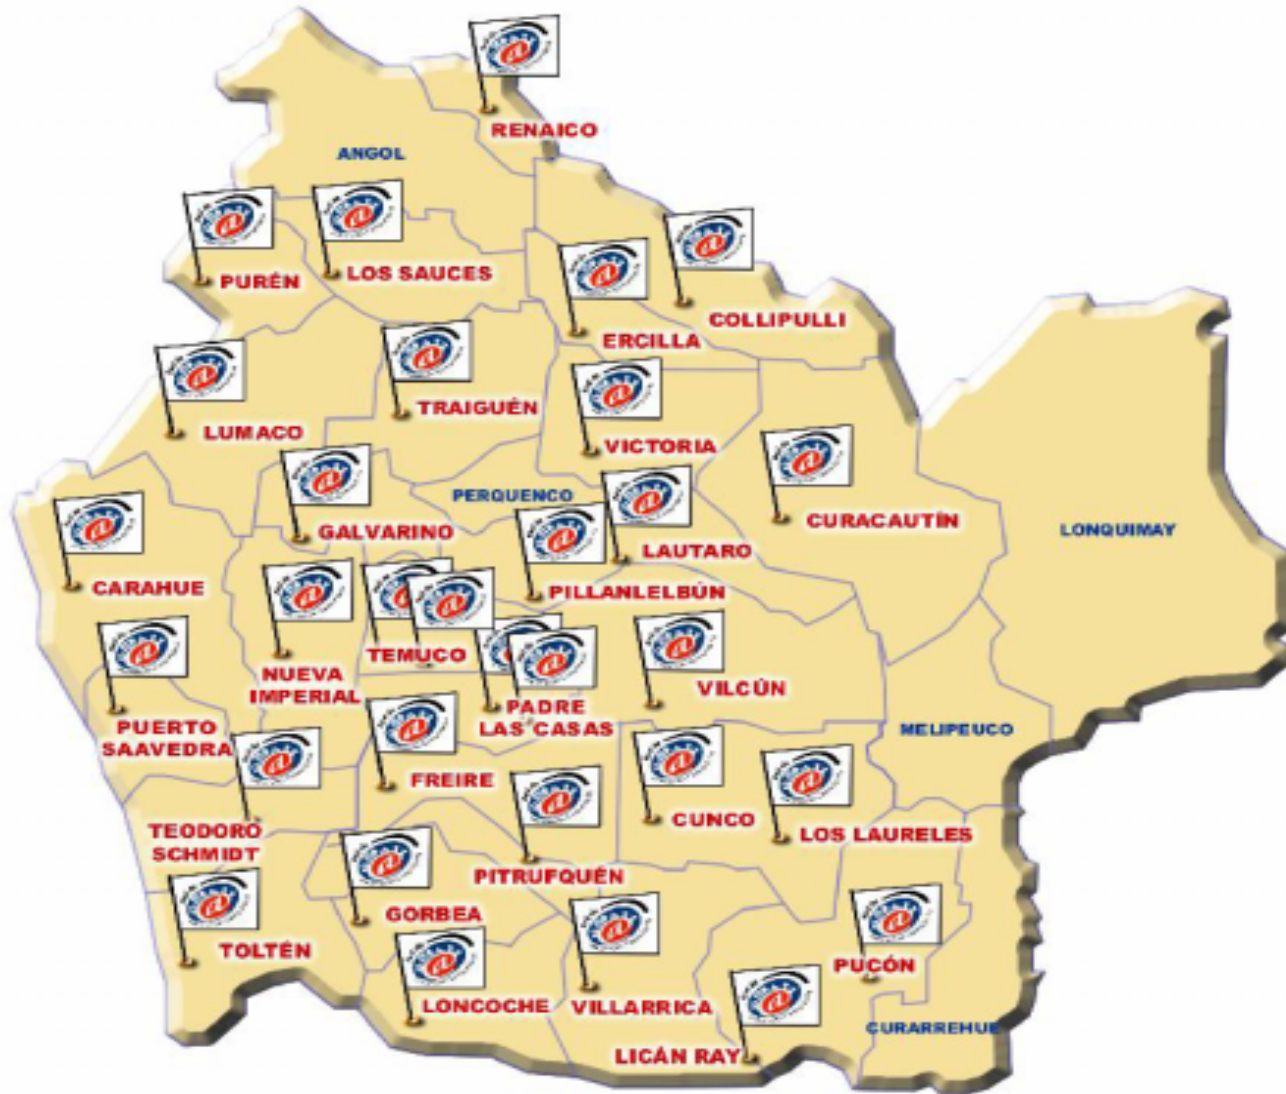

Who should participate?

How might people participate?

When should participation take place?

What are the **incentives** to participation?

University-supported telecenters in Araucania, Chile

Some concrete initiatives to foster participation in Chile

Some concrete initiatives to foster participation in Chile

Telecenter in Puerto Saavedra, Jhona FM
